What is a Community Partner?

Help us provide safety, services, and comfort to survivors of domestic and sexual violence by becoming a Community Partner! This program allows local businesses and other organizations to join us in the fight against domestic violence via sponsorship funding. In-kind donations welcome!

Our Community Partners receive an array of benefits, including business logo recognition on the website for 1 year, social media shoutouts, newsletter features, recognition at events, and more.

Our History

The Verde Valley Sanctuary (VVS) began 30 years ago as a grassroots organization of women who were concerned about domestic violence in our community. The original group of volunteers began taking crisis calls in their homes and transporting victims of abuse to the nearest shelters 50+ miles away in Flagstaff, Prescott, and Phoenix.

Thanks to generous donations from the community, VVS opened the first domestic violence shelter in the Verde Valley region in 1994 with a leased modular home that slept six. Since then, VVS has strategically expanded and now offers comprehensive services for survivors of domestic and sexual violence in both residential and community-based formats.

Our Mission

Our mission is to provide safety, services, and comfort to survivors of domestic and sexual violence.

Our Impact

In fiscal year 2025-26, Verde Valley Sanctuary provided services to more than 1,500 survivors of domestic violence and sexual assault, including nearly 7,600 bed nights and answering almost 1,300 crisis hotline calls. Since 2020, VVS has housed 150 clients in emergency shelter on average per year and doubled the number of survivors served in transitional housing since 2025.
